June at the SSD!

May was a busy month, and we are so grateful to everyone who continues to visit and engage with the space each day. As we look ahead to the summer, June will be a bit quieter, with just a couple of events planned, like a potluck. July, however, will be full of exciting activities as we celebrate Disability Pride Month with a week of events. We'll be hosting a night market, a crafting session where participants can create posters exploring disability rage, and a free ice cream event. Based on student requests, we will be hosting the Autism Peer Support Group throughout the summer. If there are other peer support groups you would like to see offered, please reach out and let us know!

Wishing you all a wonderful June!

Website**Updates**

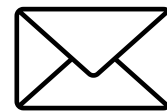

Our website is currently undergoing a much-needed renovation! We're excited to refresh and improve the site to make it easier to navigate and more useful for everyone. During the next few weeks, you may encounter some temporary issues, such as incomplete pages, missing content, or information that is still being updated. Thank you for your patience while we work through these changes. If you have any questions or can't find what you're looking for, please don't hesitate to contact us at uvicssd@uvic.ca.

#A4A**Terms of Reference**

This month's #Access4All update is an exciting one! We will be voting on the adoption of both a Constitution and Rules of Order. This is a major step forward for the council, as it will allow us to formally elect positions and operate with a stronger organizational structure. Stay tuned for more details, as we will be hosting our Annual General Meeting (AGM) in the coming months to elect members to these positions!
